Community Services to Host Annual Early Years Expo

(Bel Air, MD) - - The Harford County Department of Community Services' Local Management Board is proud to announce the 3rd annual **Early Years Expo**. This early childhood resource fair is to be held on Saturday, February 22, 2014, from 9:00am to 1:00pm at Emmorton Elementary School, 2502 S. Tollgate Road, Bel Air, MD 21015.

The event is sponsored by The Goddard School, Harford County Public Library, PNC Bank, Kiddie Academy and supporting sponsor The Harford County Office on Mental Health.

The Early Years Expo helps local families with children ages birth to five years old learn about early childhood related opportunities in Harford County. The Department of Community Services' Local Management Board believes in educating families about community resources to make the linkage between valuable services and the families they exist to serve. The better-connected that families are to community resources, the more likely children will be provided with the building blocks of early childhood development.

The Early Years Expo will feature over 50 area businesses and organizations that offer services for families. The Expo will also feature hands-on learning activities for kids. The "Rolling Reader" from the Harford County Public Library will be available featuring story times and other information for families on resources that are available to them. For more information, contact the Harford County Department of Community Services' Local Management Board at 410-638-3389.
